

REMARKS/ARGUMENTS

The drawings have been corrected in accordance with the Notice of Draftsperson's Patent Drawing Review attached to Paper No. 15.

Subsequent to the receipt of a Notice of Allowance, this application was carefully reviewed prior to payment of the issue fee. The errors noted during this review have been corrected by this Amendment. With respect to the current amendment to claim 6, Applicants note that there was a discrepancy between the "clean" version of claim 6 and the marked-up version of claim 6 in the Supplemental Amendment mailed May 9, 2003. The current amendment to claim 6 presents the correct text of claim 6 as amended. It is respectfully submitted that the foregoing amendments do not affect the merits of the application and are proper subject matter for an Amendment Under Rule 312.

Entry of this Amendment is respectfully requested.

Respectfully submitted,

James D. Ryndak
